

EU TO OUTLAW 'TOO HOT' OVENS...

Cartoon by Paul Thomas

EU Lies vs The Truth

- The UK has influence inside the EU
- The EU has secured peace in Europe
- 3 million jobs would go if we left the EU
- This is sourced from a NIESER report, its director described its use by the Re-main campaign as “pure Goebbels”
- The GDP of countries the EU has trade deals with is \$7.7 trillion. The value of Chile’s trade deals is \$58.3 trillion
- The UK is too small to have a voice on the world stage
- The UK is the world’s 5th largest economy
