

How Committed is your MP to Brexit?

Notes

Our rating is calculated from MPs' votes on Commons divisions on Brexit legislation, plus their stance in the Referendum.

100 is for the most committed to Brexit; and 0 for the least.

This should be treated as a guide, not a definitive account. MPs may have been absent from votes for good reasons, such as illness, or being the temporary Chair at Committee stage.

If you would like to see the full database/calculations, please email info@getbritainout.org

MP	Party	Constituency	Referendum	Rating
